

Advisable makes it easy for companies to find and hire top freelance marketing specialists on demand

WHAT IS ADVISABLE

Advisable is a technology company that connects companies with top freelance specialists for short-term or part-time projects.

WHAT WE DO

Advisable automates the entire freelancer recruitment process, providing premium talent on demand to the world's leading companies.

HOW IT WORKS

1

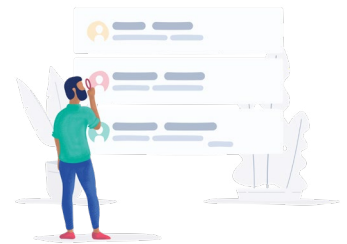

Tell us what expertise you're looking for

- Fill out a project brief to let us know what you're looking for
- Our team works with you to refine and perfect this brief
- Once approved by you, we start sharing this brief with relevant candidates

2

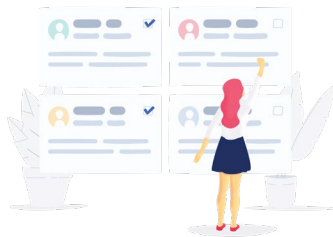

We find and screen specialists on-demand

- We share your brief with candidates in our existing networks
- We put your brief in front of qualified candidates across the internet
- We get qualified applicants for your job

3

You screen and interview qualified candidates

- We provide you with a short-list of relevant candidates who've applied for your job
- You choose which from these you'd like to interview
- We help you schedule a 30 minute introductory call with each

4

Make the hire and get to work

- When you've found the perfect candidate, make an offer
- Once the candidate accepts your offer, we take care of billing, contracts, etc.
- You get to work within 3-5 days of starting the process

We work with leading established companies and fast-growing startups:
